

# ASKSIMPLE

ASKING MADE SIMPLE

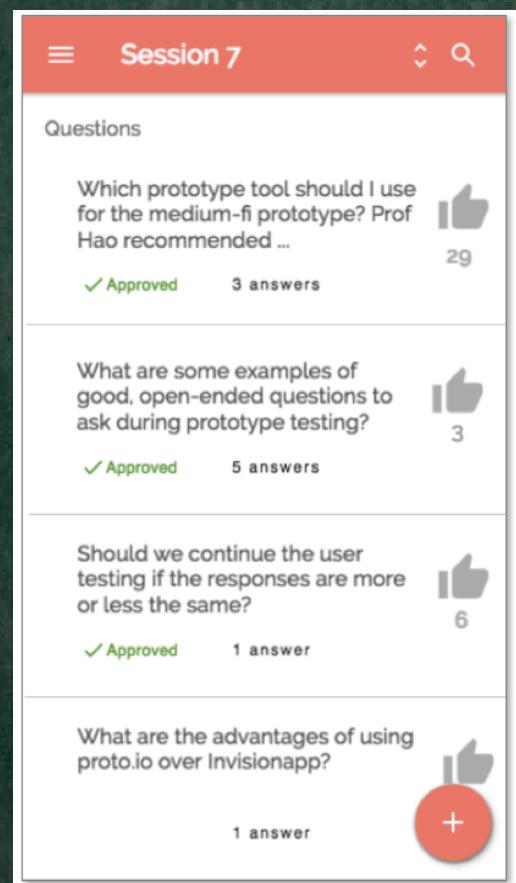

## Shy in class? Not a problem anymore!

AskSimple is a tool that helps you participate in class anonymously and supports you in getting the answers you need as fast as possible!

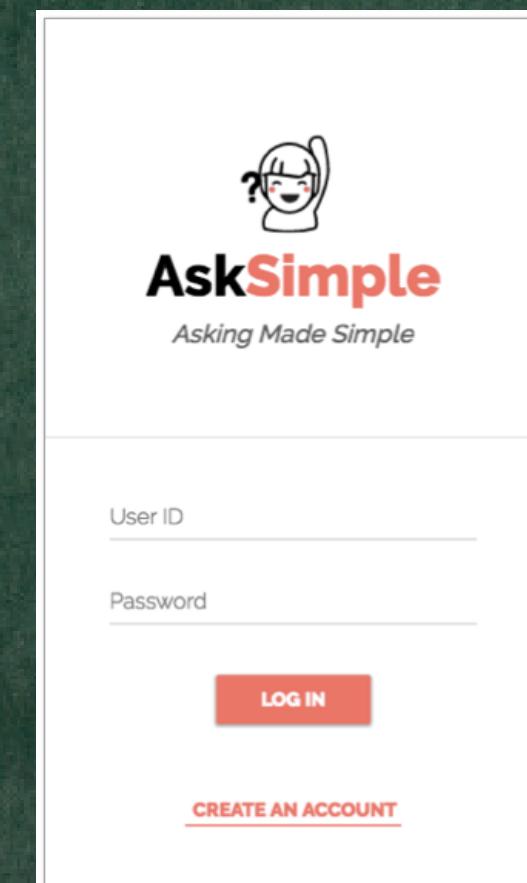

## DESIGN ITERATIONS

Paper Prototype

Med-Fi Prototype

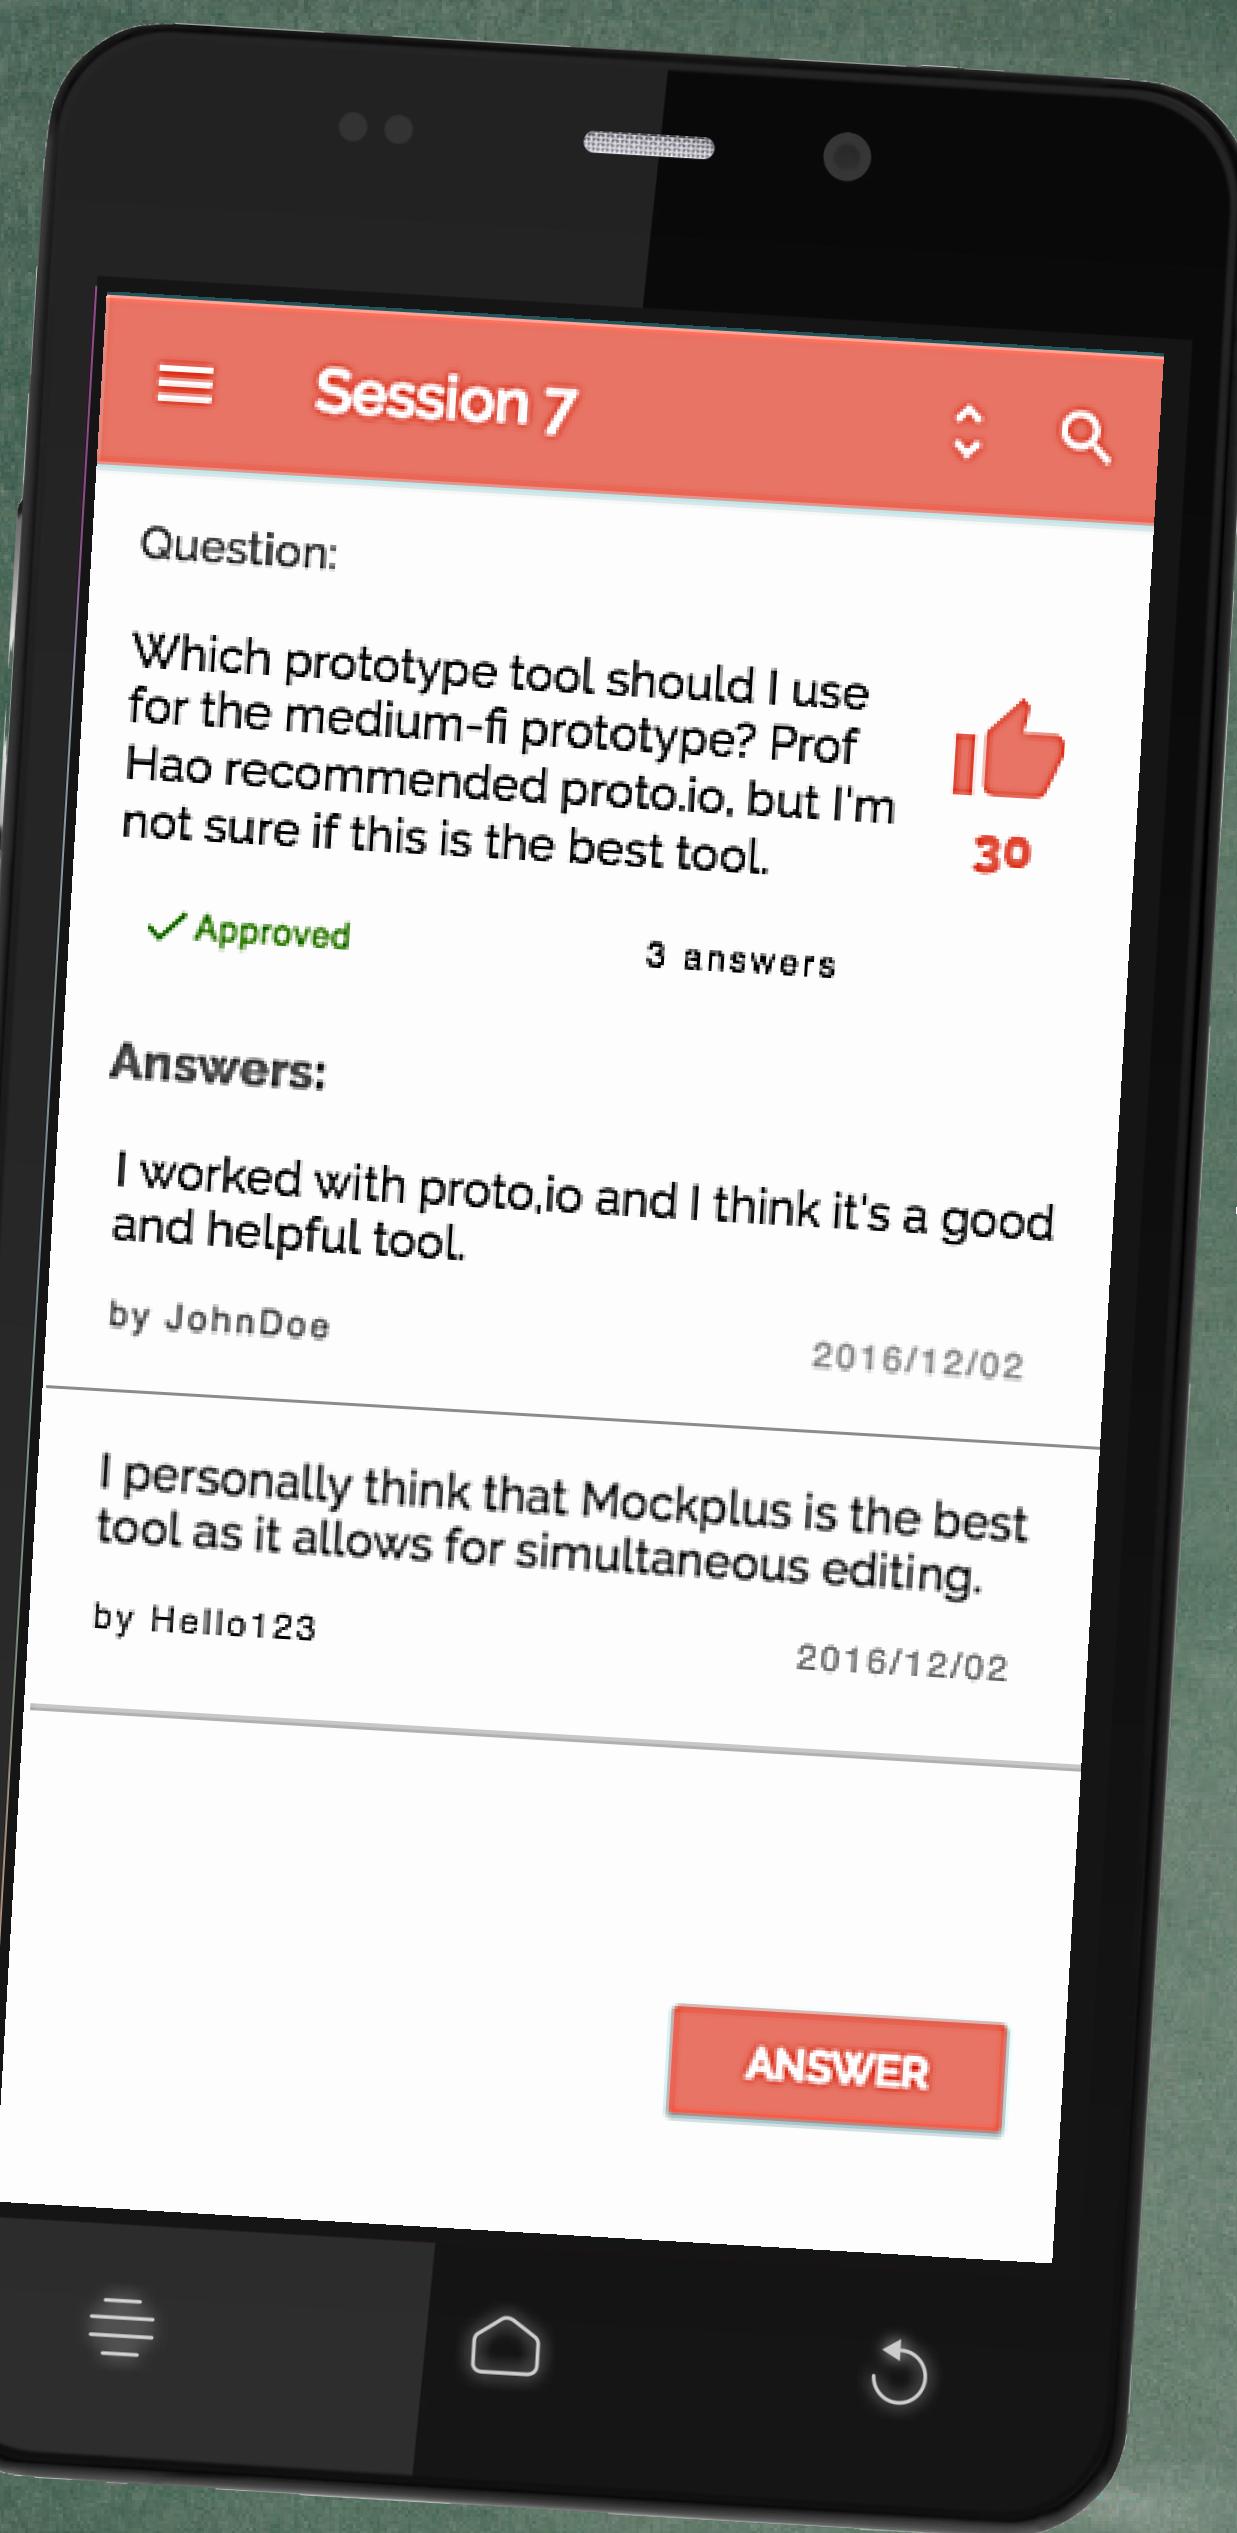

High-Fi Prototype

## ASK

Access your course session through the app and ask question that you don't dare to ask in class!

## ANSWER

Help your classmates and feel more engaged in class by answering question posted in the classroom

## UPVOTE

Upvote interesting questions, so the teacher will notice them easily
