README - AskSimple

AskSimple is a tool that helps you participate in class anonymously and supports you in getting the answers you need as fast as possible.

Getting Started

These instructions will get you a copy of the project up and running on your local machine for development and testing purposes. See deployment for notes on how to deploy the project on a live system.

Prerequisites

What to install? How to install the software?

Installing

Download the app from:

Built With

AndroidStudio

Versioning

https://github.com/6366295/ntu_hcid_hi-fi_prototype

Authors

Zhenyang Lim
Peng-Hsuan Li
Lukas Grinkevičius
Mike Trieu

Disclaimer

Passwords are not secure, please don't use any sensitive passwords with the app.
It is not possible to log-in as a teacher or TA. Certain functions might still contain bugs.
